

**CORPORATE FINANCIAL
MANAGEMENT**

November 7 - 10, 2017

CORPORATE FINANCIAL MANAGEMENT

Sound financial management is an integral component of business strategy. Designing a consistent, cohesive corporate investment and finance strategy can create and sustain a viable competitive edge. Unfortunately, many senior managers are unaware of the linkages between strategic and financial management and do not realize that a strategic vision must be accompanied by the understanding of how it will generate financial value.

The program on **Corporate Financial Management** helps build understanding of the interactions between a firm's investment decisions, the business and operational strategies. Through case-studies and interactive discussions, participants gain exposure on how to optimize and integrate investment and financing decisions to maximize shareholder value. The program is designed so that participants develop a deeper understanding in applying the principles and frameworks of finance and gain greater confidence in making strategic financial decisions.

PROGRAM BENEFITS

Over the course of the program, participants will:

- Explore various aspects of capital budgeting and creation of value
- Unravel the complexities of financing decisions and tactics & procedures in financial markets
- Measure the impact of financing strategies on firm's cost of capital
- Learn about company valuation - assessing worth of a business
- Gain exposure to financial implications in mergers, acquisitions and restructuring
- Develop insights on global finance

Program Date:	November 7 - 10, 2017
Program Fee:	PKR 100,000
Residential Fee:	PKR 45,000
