NEOTIATION SKILLS

Managers negotiate every day and the results have substantial impact on their performance. To be effective, managers need to deal with negotiation situations in a systematic and organized manner.

This 4-day dynamic Program on Negotiation Skills has been designed to specifically enhance executives’ confidence and ability at the negotiating table to gain strategic advantage. Through experiential tools, lectures and interactive analysis, participants will learn to change the way they view and evaluate action alternatives in competitive situations.

PROGRAM BENEFITS

Through a blend of case studies, role plays and exercises, the 4-day experiential program provides executives opportunity to:

- Learn the essentials of negotiations in varied business contexts
- Understand how negotiating strategies are planned and implemented to optimize performance for self and others
- Gain a deeper understanding of distributive (win/lose) and integrative (win/win) negotiation tactics
- Learn effective tactics & strategies to resolve negotiating deadlocks
- Improve ability while negotiating in groups and as individuals
