FINANCE FOR NON-FINANCIAL MANAGERS

Finance for Non-Financial Managers (FNFM) equips you with essential concepts necessary to understand and predict the financial implications of your managerial decisions. The program provides framework to help interpret and analyze financial statements and understand how business decisions are reflected in financial reports. You will master analytical techniques for project analysis, learn to allocate resources more optimally and understand financial markets and their role in capital raising and monitoring.

FNFM is an intensive 5-day program, the extended duration of the program ensures a wide ranging topical coverage and follows a hands-on experiential format. The program dedicates time for conceptual learning as well as application through exercises and project work. This unique format helps managers in strengthening their analytical and planning skills essential for evaluating and making informed decisions.

WHO SHOULD ATTEND

This program is designed for managers responsible for functional areas such as operations, finance, IT, marketing, production, human resources, law and government affairs. Managers with some financial background who would like to refresh their understanding of the essential concepts can also attend.

BENEFITS
