COMMUNICATION FOR PERSONAL AND ORGANISATIONAL EFFECTIVENESS

Communication is undoubtedly one of the key skills required for career advancement. Managers who can convey ideas with ease, clarity and conciseness play an effective role in the growth and success of their organisations.

The objective of this programme is to equip participants with tools and techniques required to communicate effectively within and outside the workplace. Through experiential learning, peer interaction and faculty feedback, participants will develop oral and written communication skills necessary for personal and organisational effectiveness.

BENEFITS
This 3-day programme is designed to provide you with the modern tools and techniques essential for effective internal and external communication.

- Learn the fundamentals of effective business communication in the current context
- Develop competency in writing effective messages
- Become proficient and confident at oral presentations
- Enhance personal communication style that inspires others to action
- Use internal and external communication skills to enhance leadership attributes
