FINANCE FOR NON-FINANCIAL MANAGERS

Finance for Non-Financial Managers (FNFM) equips you with essential concepts necessary to understand and predict the financial implications of your managerial decisions. The programme provides framework to help interpret and analyse financial statements and understand how business decisions are reflected in financial reports. You will master analytical techniques for project analysis, learn to allocate resources more optimally and understand financial markets and their role in capital raising and monitoring.

FNFM is an intensive 5-day programme, the extended duration of the programme ensures a wide ranging topical coverage and follows a hands-on experiential format. The programme dedicates time for conceptual learning as well as application through exercises and project work. This unique format helps managers in strengthening their analytical and planning skills essential for evaluating and making informed decisions.

BENEFITS

By the end of the programme, you will learn to;

- Enhance your ability to read, interpret and use accounting data
- Evaluate key financial indicators/ratios and financial statements to assess the financial health and performance of companies
- Prepare the cash flow statements and analyse how cash influences business growth, profitability and investment decisions
- Understand Time Value of Money and its application in professional and personal decisions
- Estimate the value of bonds & stocks
- Evaluate the capital need of a company and choose among varied financing sources to optimise the capital cost of a company
- Assess and determine the viability of different investments through Capital Budgeting
- Understand the critical linkages between financial and business strategy for optimal organisational performance
