MARKETING INNOVATIONS

October 6 - 9, 2020
WHO SHOULD ATTEND
The programme is designed for Entrepreneurs, Brand Managers and Managers of B2C products and services.

MARKETING INNOVATIONS
Social Media Marketing User Behaviour Analysis, Analytical Tools & Multiscreen Digital Marketing Techniques

This 4-day hands-on programme on Marketing Innovations provides a tactical/tool-based grounding to help programme participants convert strategic social media plans into execution. This programme familiarises the participants with the latest tools and techniques in the world of social media marketing and brand-in-hand mobile digital marketing.

The introduction to the tools will range from planning and development aides, engagement and efficiency trackers as well as formal and informal viral content generation engines.

PROGRAMME BENEFITS
At the end of the programme participants will:

- Develop a working knowledge of the latest social media tools at hand
- Undertake case based application of the tools learned, with rich tactical discussion on the innovative applicability of these tools
- Understand how to interpret the results of social media campaigns
- Learn about the mobile brand as it stands today (Brand-in-Hand)
- Understand the tactical use of Augmented Virtual Reality for marketing purposes
- Understand the full breadth of tools and techniques available for directly reaching and tracking customers on social media

SPECIAL FEATURES
- This is a companion programme to the ‘Marketing in Digital Age’ programme. While the Marketing in Digital Age programme provides strategic frameworks, predictive application and planning of social media and digital marketing; the Marketing Innovations programme empowers participants to convert the strategic social media plans into actionable operational tactics through the use of cutting edge tools and techniques.
- Case based exercises simulating decision making of both global, and current Pakistani digital brands will allow for a showcase of the process of converting strategic plans into tactical operations through the application of the learnt tools.

PROGRAMME COVERAGE
Following areas will be covered during this highly interactive course:

- Social media and mobile digital marketing trends and tactics
- Customer conversion techniques
- Social media metrics
- Cross linking of platforms
- Organic & paid content tactics
- Interpreting social media results
