TRANSFORMING CUSTOMER EXPERIENCES

November 25 - 28, 2024

Suleman Dawood
School of Business

The ever-evolving business landscape, intense competition, and consumer preferences have reshaped how organisations function. In this dynamic setting, customers have gained significant power, emphasising businesses' need to meet their explicit and implicit needs. Organisations must embrace agility and cultivate a robust culture and mechanisms centred around their customers to thrive.

This programme emphasises developing a culture with customer-centric innovation to provide exceptional value and stand out in the customer-driven competitive landscape. The programme offers the opportunity to reassess your strategic choices and business model in alignment with the demands and expectations of your customers.

BENEFITS

The programme equips the participants with tools and techniques to identify and bridge gaps in meeting customer needs and design value propositions and service strategies to maximise customer value. The programme will help participants to:

- Develop and reinforce a customer-focused culture in a disruptive environment.
- Realise the power of customers amidst globalisation.
- Align your product and service delivery with the needs of customers.
- Learn effective techniques for bringing the voice of the customer into your product development process.
- Enhance customer lifetime value by developing a compelling value proposition.
- Employ analytics to create value through human-centred service design.
- Leverage customer journeys attuned to evolving customer requirements.
- Build competitive differentiation through understanding the customer journey and experience.
- Create innovative value to differentiate your products and services.
- Inspire and engage your employees, empowering them with customer insights.
- Invest in technology to improve customer interactions.
- Leverage artificial intelligence for enhanced customer experience.

WHO SHOULD ATTEND

Middle to senior level executives who want to transform their organisation into a highly customer-centric market leader. Executives responsible for customer experience, engagement or new business development.
