AI-ENABLED ORGANISATIONS

Unlocking Value of AI for Businesses

JANUARY 13 - 16, 2026

Suleman Dawood
School of Business

In today's rapidly evolving digital economy, Artificial Intelligence (AI) is fundamentally reshaping how businesses operate, compete, and deliver value. Understanding the strategic impact of AI is essential to make informed decisions, identify new growth opportunities, and navigate the ethical, operational, and organisational challenges that come with its adoption.

This 4-day focused programme is designed to equip executives with the knowledge and skills necessary to integrate AI (AI) into strategic business decisions. This programme offers an understanding of AI technologies, their applications across various business functions, and the ethical considerations involved. Participants will learn to leverage AI to drive innovation, efficiency, and competitive advantage within their organisations.

BENEFITS

Through innovative pedagogical tools, interactive discussions and hallmark case studies, the participants will gain both strategic insight and practical know-how across the following areas:

- **Understand AI Fundamentals:** Build a foundation in key AI concepts, including machine learning, natural language processing (NLP), and generative AI, with a focus on their real-world applications in business and leadership contexts.
- **Strategic AI Integration:** Learn how to identify high-impact use cases and design strategies to embed AI into core business functions, ranging from operations and marketing to customer service, for increased value creation and scalability.
- **Data-Driven Decision Making:** Gain the ability to leverage AI-powered analytics and data-informed decision-making across the enterprise.
- **Ethical and Responsible AI Implementation:** Understand the ethical, legal, and social implications of AI to ensure responsible AI deployment.
- **Leadership in AI-Driven Transformation:** Develop the leadership mindset needed to steer organizations through digital transformation, align cross-functional teams, and build an AI-ready culture.
- **AI Innovation and Business Model Redesign:** Explore how AI enables new business models, and product/service innovation, preparing leaders to drive long-term, sustainable growth through technology.

WHO SHOULD ATTEND

This programme is designed for senior leaders and decision-makers who are driving—or preparing to drive—AI-led transformation within their organisations. It is particularly valuable for:

- **C-Level Executives (C-1 and C-2),** Business Unit Heads, and National Managers seeking to embed AI capabilities into strategic priorities and operational models.
- **Directors and Senior Managers** across innovation, technology, operations, marketing, finance, and human resources who are responsible for leveraging AI to create business value.
- **Forward-looking professionals** aiming to lead organisational change, enhance data-driven decision-making, and cultivate an AI-ready culture.

APPLICATION PROCESS

Applications will be screened with regard to the suitability of the individual participant profile for the programme. Kindly ensure the submission of your online application by the deadline. Our online application form is available at <https://redc.lums.edu.pk/programme-calendar>

PROGRAMME & RESIDENTIAL FEE

The programme fee of PKR 250,000 includes tuition cost, reading materials, tea, and lunch served during the programme. If you wish to avail accommodation at LUMS, there will be an additional fee of PKR 100,000. It includes accommodation, breakfast, and dinner for the duration of the programme. However, any extra charges such as telephones, laundry, extra meals, etc. should be paid on departure. You may check in on the evening preceding the start date of the programme and check out the morning after the programme ends. You are, however, requested to inform us of the time of your arrival and departure.

DISCOUNT POLICY

If more than two executives from the same organisation participate (up to a group size of 5 participants), each additional participant after the first two gets a 20% discount on the programme fee.

PAYMENT

Payment is due upon receipt of the acceptance email/letter along with the invoice. Please ensure that the payment reaches the office BEFORE the start of the programme. Space in the programme may only be ensured after we receive the fee. Payment can be made directly through:

- Debit/credit card by visiting <https://pay.lums.edu.pk>. You can process the payment by selecting REDC payments from the Payment Type Section and entering a valid voucher number and access code mentioned on the voucher. Additional bank charges may apply.
- Cash, Crossed Cheque, or Pay Order/Bank Draft made in favor of "Lahore University of Management Sciences" at any United Bank- Limited (UBL) branch against the programme voucher.
- 1BILL payment option available on online/mobile/internet banking payment portals where Invoice/Voucher payment option can be found.
 - Please enter the assigned six-digits 1BILL LUMS identifier (prefix) followed by 13-digit voucher # to fetch bill details i.e., 1058674001802223140. However, the programme fee can also be paid via bank transfer.

If you wish to dispatch the cheque directly to our office, please send it to:
