

PROJECT MANAGEMENT - KARACHI

July 28 - 31, 2026

PROJECT MANAGEMENT

Project management has developed into a sophisticated set of tools and techniques which enables managers to complete their projects on time, within budget and contribute to the organisation's overall profitability. Many projects fail or overrun their cost and time estimates because of poor planning, inadequate allocation of resources, inefficient scheduling of time or simply lack of commitment from top management.

The 4-day focused programme on project management will provide executives with a new dimension on project planning, controlling and execution. A brilliant mix of theoretical concepts, practical tools & techniques and experiential learning, the programme provides a comprehensive perspective on managing and executing business projects.

BENEFITS

The programme analyses the organisational framework needed for effective project management and identifies the techniques that can be used to avoid some of the costly mistakes many managers make while handling complex projects.

Topical coverage includes:

- Project Planning and Life Cycle
- Role of Project Manager
- Introduction to MS Project
- Risk Management
- Managing Cross-Functional Project Teams
- Managing Public Sector Projects
- Conflict Management
- Project Monitoring and Control
- Project Closure

Programme Date:	July 28 - 31, 2026
Programme Fee:	PKR 250,000
Residential Fee:	Not Applicable
Venue:	Karachi

WHO SHOULD ATTEND

This programme is specially designed for managers, engineers and other senior employees responsible for delivering important projects.

“The seasoned faculty, coordination team and programme content were simply amazing. Especially, the case study based approach to learning is so practical and unique. The programme stands out from other executive education programmes in so many ways. This is a must for executives who get or are assigned projects of any size or scope.”
