

PUBLIC PROCUREMENT MANAGEMENT

Designed in Collaboration with Federal PPRA

December 1 - 5, 2026

PUBLIC PROCUREMENT MANAGEMENT

Public sector procurement plays a pivotal role in achieving efficient and effective governance, especially in financially constrained emerging economies like Pakistan. The management of procurement activities directly reflects the performance of public sector organisations and their commitment to transparency and accountability.

The programme, designed in collaboration with Federal PPRA, will equip public sector executives with the skills necessary to initiate and manage procurement projects successfully. The programme will foster a comprehensive understanding of public sector procurement philosophy, strategies, methods, and the inherent trade-offs in decision-making.

BENEFITS

Participants will be able to:

- Understand the principles of effective public sector procurement management.
- Gain insights into various procurement methods of the procurement life cycle, practices, processes, and tools that will enhance their understanding of the public procurement.
- Acquire skills to lead procurement activities within their organisation.
- Develop confidence in e-procurement practices and appreciate the value it brings to the overall procurement cycle.
