

FINANCE FOR NON-FINANCIAL MANAGERS

December 14 - 18, 2026

FINANCE FOR NON-FINANCIAL MANAGERS

Finance for Non-Financial Managers (FNFM) equips you with essential concepts to understand and predict the financial implications of your managerial decisions. The programme provides a framework to help interpret and analyse financial statements and understand how business decisions are reflected in financial reports. You will master analytical techniques for project analysis, learn to allocate resources more optimally and understand financial markets and their role in capital raising and monitoring.

FNFM is an intensive 5-day programme, the extended duration of the programme ensures a wide-ranging topical coverage and follows a hands-on experiential format. The programme dedicates time for conceptual learning as well as application through exercises and project work. This unique format has been helping managers in strengthening their analytical and planning skills essential for evaluating and making informed decisions.

WHO SHOULD ATTEND

The programme is designed for managers responsible for functional areas such as Operations, Finance, IT, Marketing, Production, Human Resources, Law and Government Affairs. Managers with some financial background who would like to refresh their understanding of the essential concepts can also attend.

Programme Date:	December 14 - 18, 2026
Programme Fee:	PKR 280,000
Residential Fee:	PKR 140,000
Venue:	Rausing Executive Development Centre, LUMS

By the end of the programme, participants will learn to;

- Enhance your ability to read, interpret and use accounting data
- Evaluate key financial indicators/ratios and financial statements to assess the financial health and performance of companies
- Prepare the cash flow statements and analyse how cash influences business growth, profitability and investment decisions
- Understand the time value of money and its application in professional and personal decisions
- Estimate the value of bonds and stocks
- Evaluate the capital need of a company and choose among varied financing sources to optimise the capital cost of a company
- Assess and determine the viability of different investments through capital budgeting
- Understand the critical linkages between the financial and business strategy for optimal organisational performance

"FNFM has completely changed my perception of the business. A must-take programme for all as it is instrumental in making business decisions. The programme has brought together empowering sessions that add immense value to your learning and professional outlook. The programme instils core concepts through intense deliberations and group work, enabling you to understand and control the factors that will eventually affect you and your business."
